Homework 2

Due Jan 31 at 11:59pm

Points 50

Questions 18

Time Limit None

Allowed Attempts 2

Instructions

This assignment is not timed and you have two submission attempts. The questions are built on Greek prefixes in chapter 2 of your textbook, in addition to the Greek bases you already learned. Also consult the list of Greek suffixes in chapter 2 to help you figure out what part of speech a word is.

You can memorize the prefixes first and then use the homework assignment to test yourself, or use the assignment to help you remember the prefixes.
